

#1 Lite Mazda Clutch & Flywheel Package

Weighs less than 10.5 Lbs, Complete as shown! 2 disk 5.5" clutch for Mazda only \$1095
Unlike some of the other options for Mazdas this is a real racing clutch, designed from scratch for racing use. It is not a painted and repackaged stock clutch, or slightly altered stock type.

This clutch & Flywheel is made in the USA, and fully rebuild-able. Having a lightweight clutch is one of the most effective things you can do to improve the performance of your racecar! Upgrade to real lightweight performance today.
